Your Daily Missions

BODY

MISSION 1

Quest 1 · Rainbow Plate

Eat 3 colors at one meal. Draw the plate in your mission log. Earn the Rainbow Hulk badge in the app.

MIND

MISSION 2

Quest 2 · Starlight Five

Find a quiet spot. Take 5 starlight breaths. Notice 5 things you can see. Write down one. Earn Sage's Wonder badge.

SPIRIT

MISSION 3

Quest 3 · Secret Kindness

Do something kind without anyone seeing you do it. Tell only your mission log. Earn Grace's Secret Helper badge.

MIND

MISSION 4

Quest 4 · Trinity Trade

Pick one quest to teach a younger kid. Watch them try it. That's how Trinity grows — kid to kid.

6–7 year olds love systems, checklists, and earning. Each quest in this booklet matches a digital badge in the app, and every completed badge earns one Trinity Buck toward the next kit. Reading is light on purpose so they can complete missions independently.

TRINITY BUCKS — HOW THEY WORK

Every time your family shops with a Trinity Mall tenant vendor, you earn **1 Trinity Buck**. Bucks are not cash — they redeem only toward your next Trinity Kit. Affiliate-brand shopping (the Universal Affiliate Portal) is separate: that returns real cashback to your family wallet, splits funds to missions, and powers the club. Both grow Body, Mind, and Spirit.

QUICK TIPS

Check off in pen — kids love permanence · Re-do quests for streak bonuses · Photo the log to share with the chapter · Trinity Bucks redeem **ONLY** for kits
